# ABOUT JADAVPUR UNIVERSITY

Nestled amidst the heart of Kolkata and steeped in history and innovation, Jadavpur University, founded on 24th December 1955 under the West Bengal Act XXXIII is not just a technical institute but renownedly known as the flag bearer of imparting world class multi -disciplinary education amongst its students.

Founding members of National Council of Bengal, the parent body of the Jadavpur University, in 1906, set the goal "To achieve self reliance through empowerment of Youth by imparting Best of Global Knowledge" and the varsity yet today continues to do the same. It has provided research and policy support for state and national governments and international bodies, and conventional and non-conventional technological development for society. The University has produced notable alumni who have made significant contributions to academia and the corporate world.

The university's commitment to research, innovation, community engagement, a legendary network of alumnus from that very spring of its establishment, and its unwavering contribution to imparting knowledge and refining the taste of culture and technology has marked its distinguished reputation not only in the Indian subcontinent but also at an international level.

# ABOUT JU ACM STUDENT CHAPTER

The ACM Student Chapter of Jadavpur University is a student-led community inspired by the legacy of the Association for Computing Machinery (ACM)—the world's oldest and largest organization dedicated to advancing computing as a science and profession. Continuing this legacy on our campus, the ACM JU Student Chapter was established on 6th September 2022. It aims to create a platform where students can explore emerging technologies, collaborate on impactful ideas, and grow as future leaders in computing. The JU Chapter has been active in the last year and it has been awarded for being "The Most Active Student Chapter" in east and north-east region by the ACM Kolkata Chapter at ACM Regional Meet 2024

## ABOUT SYNCHRONICITY

“ We can only see a short distance ahead, but we can see plenty there that needs to be done ”

-Alan Turing, Computing Machinery and Intelligence

In pursuit of accomplishing this "plenty," **Jadavpur University ACM Student Chapter** presents the second season of **Synchronicity**, a one-day hackathon and an extraordinary platform for boundless innovation. Supporting synchronicity means investing in the next tech leaders and bringing groundbreaking ideas to life.

**Join us in this transformative experience and be a part of the  
pioneering force into the digital frontier.**
